

Login Page

The image shows a mobile application interface for a login page. At the top, the status bar displays signal strength, 90% battery, and the time 20:03. The app's logo, 'd|tOne', is centered, with 'd|t' in teal and 'One' in red. Below the logo, the text 'User Name' is followed by a white input field. Then, the text 'Password' is followed by another white input field. At the bottom, there is a blue button with the text 'Login' in white. The entire interface is set against a dark grey background within a smartphone frame.

Add User screen

A mobile app screen titled "Add User" with a dark background. At the top, there is a status bar showing signal strength, 90% battery, and the time 20:07. Below the status bar is a navigation bar with a white back arrow on the left, the title "Add User" in the center, and a white hamburger menu icon on the right. The main content area contains two white text input fields. The first field is labeled "User Name" and the second is labeled "Password". Below these fields is a green rectangular button with the white text "Add".

Add Client Screen

A mobile application screen titled "Add Client". The screen has a dark gray background. At the top, there is a status bar with signal strength, 90% battery, and the time 20:07. Below the status bar is a header with a white back arrow on the left, the title "Add Client" in the center, and a white hamburger menu icon on the right. The main content area contains six white text input fields, each preceded by a label: "Name", "Address", "Phone number", "Age", "Diet", and "Notes". The "Age" field is significantly shorter than the others. At the bottom of the form is a large green button with the word "Add" in white text.
